COMING SOON TO ENGLISH EDITION CARDFIGHT!! VANGUARD OVERDRESS!

New Card Specifications for the New Series

Introducing new triggers! “Over Trigger”

When revealed as a trigger, remove this card and **draw a card!**

✓ When revealed for drive check

→ **Get +100 Million Power! & an additional effect!**

✓ When revealed for damage check

→ **Get +100 Million Power! & (as it will be removed) it can't be placed in the damage zone!**

Q&A Regarding Over Trigger

《Question》

What does it mean by “remove this card” in the Over Trigger card text?

→After it is triggered, this card will be removed from the fight, and it will be in the state where it cannot be used again for that fight.

《Question》

Even if I gain 100 Million Power due to Over Trigger, can sentinels guard against it?

→Yes, they can. Regardless of how high the attacking unit's power is, as long as the ability of a sentinel is used during guard step, the attack will not hit.

《Question》

If it's called to the Guardian Circle, does it get removed?

→No, it doesn't. It only gets removed when it is revealed for a trigger check.

Q&A Regarding Over Trigger

《Question》

When revealed for damage check, if I have less damage than my opponent, will the Over Trigger be removed from the fight?

→Yes, it will. It will be removed from the fight regardless of players' current damage.

《Question》

When receiving two damage, the first trigger check reveals an Over Trigger. Is the remaining 1 damage nullified as well?

→No, it isn't. Once the trigger effect of the Over Trigger is resolved, the damage check for the remaining 1 damage will occur.

Dragon Deity King of Resurgence, Dragveda

- You can only have one Over Trigger in deck. If revealed as a trigger, remove that card and get **one draw**, and **one unit will get +100 million Power!** If revealed during drive check, it's additional effect gets activated!
