# Trickstar

once Trickstar evolves...?!**

Ability Text

You can activate powerful abilities while in **overDress state!!**

“Trickstar” in originalDress!

## Chakrabarthi Divine Dragon, Nirvana

# QnA regarding overDress

## 《Question》

If I do not perform overDress for “Vairina”, am I unable to call it?

→No, you can still call “Vairina”.

In this case, you can choose to perform a normal call from hand, or to perform a superior call.

## 《Question》

My vanguard is grade 1, but can I perform overDress on my rear-guard “Trickstar” and place “Vairina” on top?

→No, you cannot.

For overDress, similar to a normal call, it needs to be the same grade or lower than your vanguard.

## 《Question》

Is the originalDress card “Trickstar” kept in soul?

→No, it is not.

You cannot use originalDress cards as cost for Soul-Blast.

# QnA regarding overDress

## 《Question》

What happens when “Vairina” retires from overDress?

→In the event that “Vairina” retires, it goes to the drop zone together with the originalDress “Trickstar”. This does not mean the originalDress “Trickstar” is retired, however. (It is the same for when moving to other areas, like hand, damage zone, bind zone, soul, etc)

## 《Question》

When “Vairina” is Superior called, can you overDress on top of “Trickstar” that is on a rear-guard circle?

→No, you cannot.

For overDress, you will place it on top of the specified unit instead of performing a normal call.

# QnA regarding overDress

## 《Question》

Can “Vairina” in overDress mode intercept?

What is the Shield value like in that case?

→Yes, it can intercept.

It shifts to the guardian circle together with the originalDress, and the shield value is 5000.

Stay tuned for more detailed rulings in upcoming QnAs!
