Because you need pay the cost by turning a face down card from your G zone with the same card name to face up, you can quickly achieve GB2.

When GB3 is achieved, you may stand one of your rear-guards and have it got Power +5000, just by attacking the vanguard!

“**Rush**” to the other units in the same column!

If the unit put to stand attacks a vanguard, up to two of your units may get Power +4000!
