Episode 43: Perfect Future

The truth about the “Perfect Future” is now clear! All the people touched by the light from the Stride Gate have been drawn into “an imaginary world where the future they wish for is real” that is under Ryuzu’s control!

Tokimi had a weak constitution and passed away before Chrono was old enough to remember her. Chrono’s dream was somewhat heartrending.

The 5 people who broke out of Ryuzu’s imagination will finally clash with their fated opponents in the “Final Judgment” from next week onwards!
