TURN 4: The “Ki” Prince of Fukuhara

I am going to introduce Henri!

Henri Hayao

High school 2nd Year

Henri is 1 year older than Shion,
a 2nd Year in Fukuhara High School!
He is the Captain of Fukuhara High
School's Vanguard club!

Trivia ② Fukuhara High School

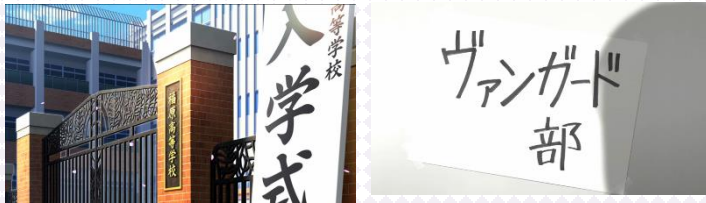

Fukuhara High School is a private high school, managed by the school board affiliated with “Foo Fighter”, a top fighter training agency!

In the past, when Ren Suzugamori, the leader of Foo Fighter was around, the name of Fukuhara was spread throughout the country under his reign as the captain of Vanguard club!

When Ren took over as the Branch Chief of United Sanctuary, he took this opportunity to gather fighters who adore him to the United Sanctuary branch instead of Fukuhara High School. This caused the Vanguard club to weaken...
As a result, the club is facing abolishment before showing any achievements!

Causality Dragon & Steam Maiden, Melem

Q. In the case when “Causality Dragon’s” attack hits a vanguard, and the “Time Leap” ability is given to “Steam Maiden, Melem”. Melem’s AUTO ability activates when attacking a vanguard, with Power +4000.

If Melem’s attack hits a vanguard, a grade 0 is called to rear-guard circle due to Melem’s ability, can this grade 0 unit “Time Leap”, which is the ability given by “Casuality Dragon”?

Causality Dragon & Steam Maiden, Melem

A. No, it cannot.

The following are the 6 steps during Battle Phase:

1. Start Step
2. Attack Step
3. Guard Step
4. Drive Step
5. Damage Step ←When an attack hits
6. Close Step ←When a battle ends

As “when an attack hits” comes earlier than an ability activated at the end of battle, it is necessary to use the ability activated when an attack hits first.
