A Diff rider will have the clan emblem that they belonged to, on the back of their right hand!

# Diffriders, who possess evil souls acting behind the scenes!

Without Kazumi Onimaru's permission, "Stealth Dragon, Shiranui" possessed him forcefully. His body and mind have been completely dominated...! The Kazumi now is "Stealth Dragon, Shiranui" in Kazumi's disguise.....!

Under Shiranui's instructions, "Chaos Breaker" who possessed Noa also had Noa's body under his control...! What are their motives.....!
