## TURN 44: Heat of Searing Heart

Chrono and  
Tokoha face  
off after  
almost two  
years!

Next, it is...!

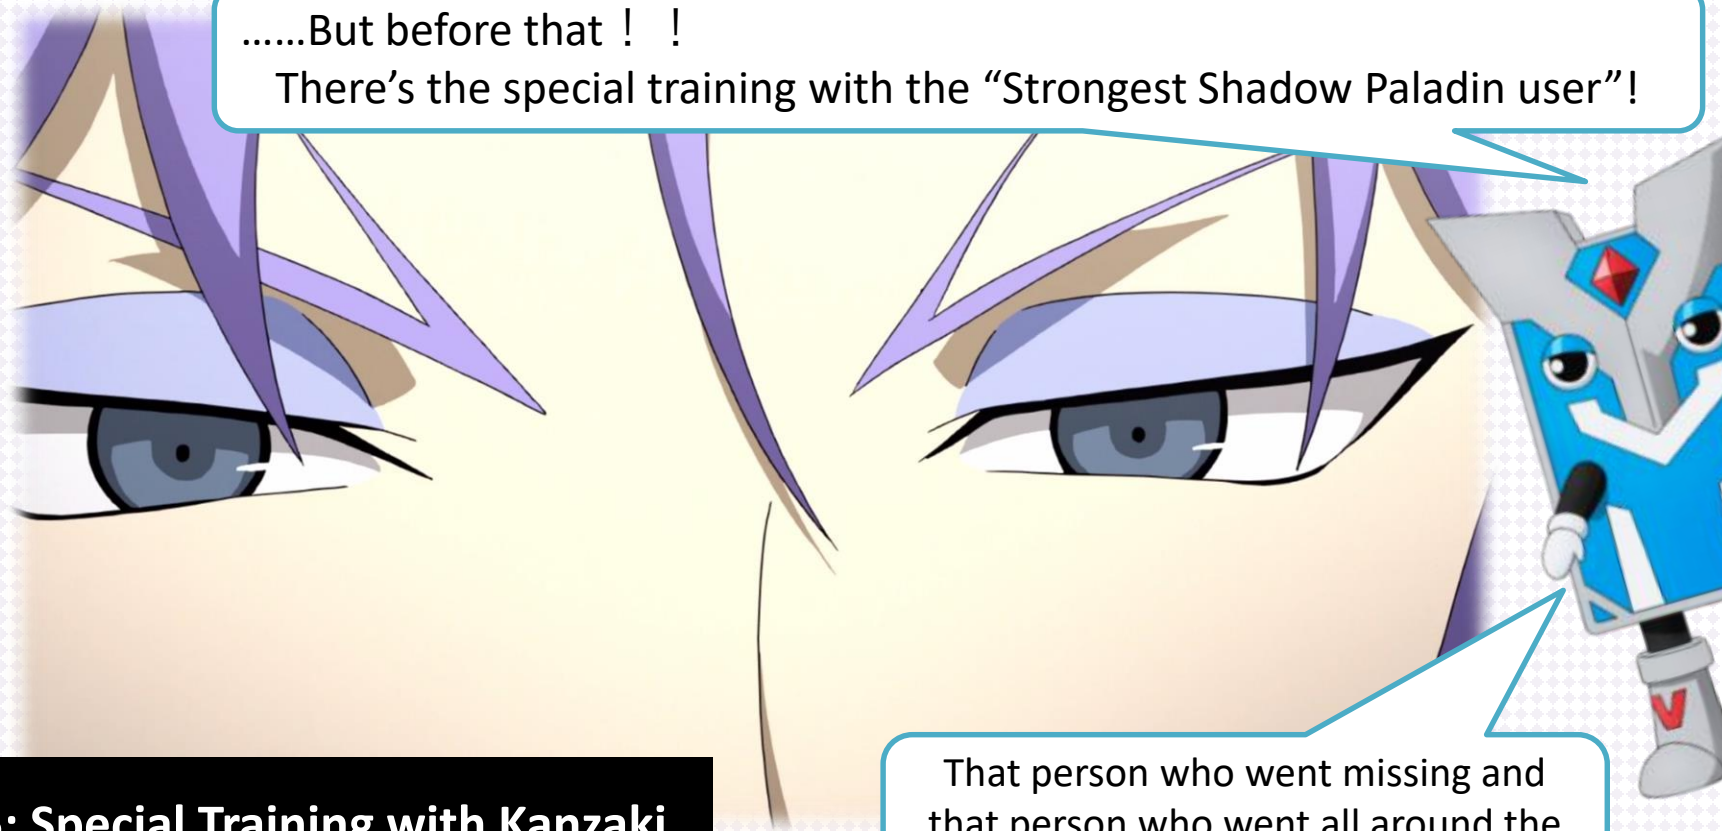

# Striders, entering the Finals!

.....But before that ! !

There's the special training with the "Strongest Shadow Paladin user"!

**TURN 45: Special Training with Kanzaki**

That person who went missing and  
that person who went all around the  
world is coming back too!?

# Sacred Tree Dragon, Rainbow Cycle Dragon

When it is put face up into your G zone, you can put two cards from your drop zone on the bottom of your deck, and turn it face down!!

# Plumeria Flower Maiden, Sharl

- When it attacks, look at seven cards from the top of your deck, and call a card with the same card name as your rear-guard!!

## • Bloom GB1

When a unit with the same card name is placed,  
one of your rear-guards gets  
Power+4000 and “Boost”!!

# Midsummer Flower Princess, Lieta

Put up to one card from your hand into your soul, and it gets the card names of all cards in your soul.

→ Call up to the number of face up cards in your G zone +1 of cards with the same card name as this unit!!

→ If you have two or more face up cards in your G zone, three of your units get Power+3000!!
