Sneak Peeks of "Image 12"

Image 12 "Mysterious Adversary Asteroid!!"

Minami Kawanami, a member of the mysterious group "Asteroid", appears at Card Capital. The "VF Glove" that they use appears to be dangerous item that allows the damage of cardfights to manifest.

Let's peek at some of the scenes!

Looking back to the performances of Leon and Kenji!

Sneak Peeks on Leon Soryu!

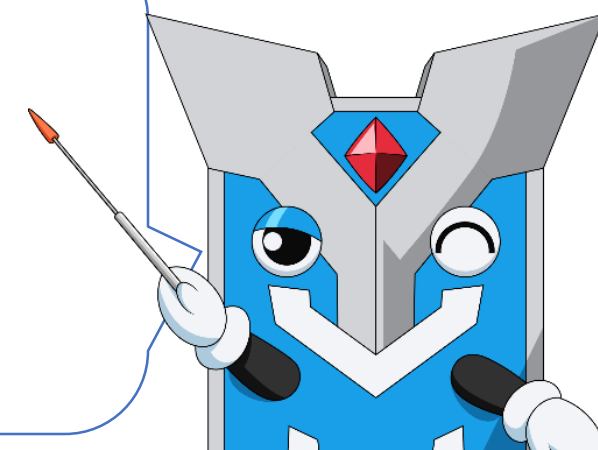

Got some Top Secret info for this week's bite!

Leon can feel "the wind blowing on Planet Cray" during a fight!
Seems similar to a certain chairman of a certain foundation, doesn't it?

It's interesting that Leon is now a sixth grade student,
but the ages of Jillian and Sharlene haven't changed
at all from the previous series.

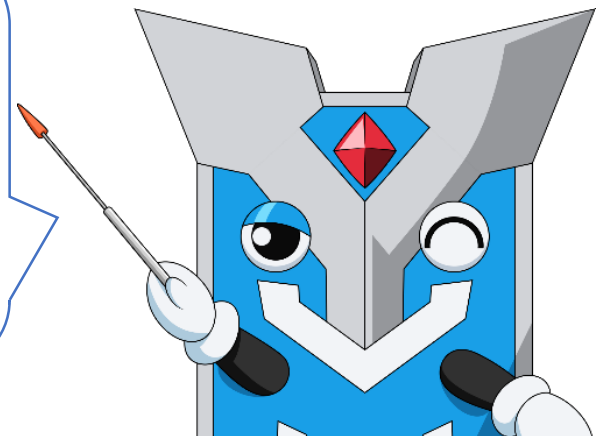

When will they make their first appearance...? Look forward to it!

Sneak Peeks on Kenji Mitsusada!

Kenji is a junior student, 1 year older than Kai and Misaki!
He attends Tokyo Metropolitan Harumi High School.
Gouki is in the same grade of the same school!
When will the other 2 members of his original team appear...?
Look forward to that as well!
